

REMARKS/ARGUMENTS

This application is a divisional application of Serial No. 09/619,625 which is directed to the method of arterial ablation. The current amendment cancels claims directed to the methodology and also adds two new claims directed to the apparatus. The amendment to the drawings is being made to conform to amendments made in the parent application to include identification of elements in drawing figure 5 and to remove text from Figs. 6 and 7.

It is requested that examination proceed with respect to claims 7 through 20 as amended.

Respectfully submitted,

DOWELL & DOWELL, P.C.
